

of the N. C.  
Dear Sir I wish  
to Request By some of the Brotherhood  
of No 94 M. T. Energy Lodge to ask  
if a Lodge has the Privilege of holding  
meetings with less than 9 members  
we understand By the Constitution  
that we have not the Right to  
do Business with less than a quorum  
which is nine and we want to  
now know Lodges that are organized  
with 5 members are to get a Law.

When they never can have a quorum  
and for the Benefit of the Lodge  
I would be glad if you would  
Answer as soon as you can  
whether or not Business can be  
done with less than 9 and how  
to manage with 5 yours Truly.
