My Dear Sir & Bro;

Fully realizing the
responsibility that now rests upon
State Allied Legislative Com. mettes; and that
must not fail to give the aid necessary to bring
to all the reforms possible, under legislative
actment; I have invited the State Executive
Com. mettes to meet with us on 7th inst, and ask
hope it will be convenient for you to attend also.
The Resolutions of Instructions to our Senator and
Kept in Congress, in regard to the Sub-Treasury
Bill, should be a document of the Senatorial
before the Senator is
Instructions should be
being considered. I beg
could be no mistaking the
the matter

These Resolutions should be wisely considered and
so perfected as not to compromise the demands
of the accused. The Ry. Commission Bill too is
one of great importance and needs the careful
thought of our best men & should be considered
as early in the session as possible. In considering
these matters we need your Council, and also that
the future work to be considered by the
Committee should be mapped out at this time.
I would like exceedingly well to have your
forth res. Comm. please

Wishing you a happy & prosperous
New Year & am for my truly grateful
R. J. House

Chas. & Fols. Alliance Leg. Com.
