Dear Sir

your favor of Jan 5 at hand
I am still making the small
rain gauges and have reduced
the price, to \$1.25 which includes
me measuring stick. If the
gauge is sent by mail,
the price is \$1.60 the meas. stick
adherent is for the large gauge,
but the price for the small one
is the same 25 cent, if I have to
pack it and send it by mail
hoping to hear from you soon
yours respectfully
John Schultzbach
