Dear Sir & bro

Our Alliance  
is No 1478. and we have a bout  
Twenty more members. and some  
of them wants to with-draw &  
they say they are intille to  
some of the money that is in  
the treasure. The constitution does  
not explain the matter it speaks  
a bout an alliance that is  
defunct, that a member in  
good standing can join an  
other Alliance but it never  
say any thing a bout the  
money in the treasure

Now I want you to explain  
the matter, whether those that  
want <sup>to</sup> withdraw are entitle to  
any money or not, and in  
case all the members want  
to quit what disposition  
would be made of the money  
according to the laws of  
The Alliance

Please answer at once  
Yours fraternally

Private it is some of the  
republicans that want to  
withdraw
