Dear Sir

Will you please decide
on the following questions.

May a member of a sub alliance
after entering the employment of
a merchant as a clerk, still
continue to affiliate with the
alliance or will he have to
with-draw?

Is a clerk in the employment of
a merchant eligible to mem-
bership?

If a sub alliance fails to meet,
install its newly elected

officers, or for the transaction of
business, & has ^{also} failed to pay its
dues to the County alliance dur-
-ing six consecutive months, can
it be considered as defunct? and
may its members join other sub-
-alliances? The above cases have
been presented to me for consider-
-ation & I respectfully ask for
your decision.

Yours fraternally

J. A. Burgwyn, President
Jackson Sub alliance
