Please interpret

Alliance Constitution page 16 sec. 6
in regard to withdrawal cards & demits
What is the difference between a demit
and a withdrawal card?

Can a person holding a withdrawal
card go to & be received by any
sub alliance save the one issuing
the withdrawal card on a $\frac{2}{3}$ vote?
The constitution sec. 7 seems to consider
a demit or withdrawal card the same

Please answer this in full and now.

Very truly &c fraternally

P.S. On reading the constitution again as referred
to above (the constitution 1890) it seems that a
withdrawal card allows larger privilege in going
to other alliances while a demit must
be addressed to some definite alliance.

The ex. secretary of Menola Alliance says demits - the
forms furnished him, recommend the bearer to
any & all alliances in the world. Truly
