E. C. BEDDINGFIELD, Secretary,
RALEIGH, N. C.

SECRETARY'S OFFICE,

NORTH CAROLINA FARMERS' STATE ALLIANCE,

Raleigh, N. C. Jan'y 17th 1891.

Bro. Carr

Dear Sir:

Our Ex. Committee will meet
in my office in this city, Feby 3rd and
request your attendance upon the same.
There are a great many of the Brethern all
over the State condemning the course of the
Prog. Farmer in the strongest terms concerning
the Senatorial question and say that Senator
Vance should not be re-elected upon any
consideration. Good many are cancelling their
subscriptions to the Prog. Farmer and are
writing strong letters. You and Capt. Alexander
and the other State Officers must stand
by the Prog. Farmer.

Truly yours,

E. C. Beddingfield
