Dear Sir & Bro.

I hope I
will not be troubling you in asking
the following questions.

Has a Subordinate Alliance au-
thority to grant limits to its members
who live within a mile, half mile and
mile and half of its place of meeting
with the avowed purpose of forming
another Lodge 2 1/2 miles off - ? - This
some of our members propose to do, saying
it will be of advantage to the Cause - We
hold it is of a disorganizing tendency.

Please answer and oblige.

Your friend & Bro.
