Dear Sir & Bro.

Will you please inform me by return mail if it is not right - honorable and alliance like for stock-holders of and alliance gin or can mill or any other business the brethren want to engage in to pay their secretary a reasonable compensation for his services. The Secy of our order is a hard working fellow and has a family to support; and has sacrificed valuable time to attend to the order and never missed a meeting during the year and during the ginning and can season, he would be satisfied with a small amt. from his order just enough to compensate for the extra time he has sacrificed. Let us hear from you by return mail.

Gratefully
