Mr Elias Carr

Dear Sir <sup>and</sup> Brothers  
The Laboring Men in the town  
of Reidsville want to organize and  
alliance in that town and they  
asked my opinion about it and I  
told them that I did not think  
that they would have the right  
to do that I told them that I  
would write to you so I await  
your answer

Now ~~the~~ Laboring <sup>men</sup> have the right  
to membership in the alliance  
no live in and incorporated town  
can a mechanic no worker in town  
all the time belong to the alliance  
yours Fraternally
