Elias Barr Esq. Jan. 25th / 1891

Dear Sir

Alliance failed to ^{our} meet
last Saturday, on account
of rain. Yesterday, our
President (V. B. P.) ordered
me to notify the brethren
to assemble for the purpose
of dividing our cash on
hand & giving limits
to those who desired
them. How about that
"Alliance" caucus in the
legislature the other day,
from which every Republican
Allianceman was carefully
excluded? Of course, you
have nothing to do with this;
but it seems to tally with
my treatment exactly. In
spite of all this, I expect to
live & die, a member of the
Farmers' Alliance. Truly yours
James H. Pitchford
Sec. Lupton, Alliance
