AFTER TREATMENT.

NEW YORK, Jan 22nd 1881

Elias Carr

Dear Sir

Your note was mislaid and just
I came across it. my Hoof expander
will without a doubt expand the
worse case of contraction. And it is
Just the thing for your Colt.
If you will send me an order for
a pair of Hoof expanders and also a pair
of shoes I will send you full directions
how to fit the hoof and shoe him
He requires different treatment to
that what he is getting at present
I don't think you will have any
further trouble with him providing
you follow directions send me the
diagram of Hoof by laying the foot on
paper and mark around it, also mention
his trouble so I will know how to
send you the proper directions the price
for all is \$4.00
