IN REPLY TO YOURS OF

Washington, N. C., January 28th, '91.189

Messrs. Elias Carr & Son,

Old Sparta, N. C.,

Dear Sirs:-

We are desirous of resuming our dealings begun a few seasons ago, and write to end of selling you your stock of Acid and Kainit for the coming season.

We offer you Acid Phos. guaranteed 12 1/2, will no doubt run 1% higher- was 1364 and 1390 last year- at 1450, and Kainit at 13.00, all Fob. here in new sacks. We bag both here in our own warehouses, insuring you good order and condition. The Acid is made by Geo. W. Grafflin, and there is no finer, purer goods offered.

We trust to have your early reply. Should you wish any high grade goods for trucking, we can offer you them, and as fine a producer as any goods on the market.

We are anxious to deal with you, and are willing to sell at lowest profit to meet your views.

Yours truly,

*Baugham & Bragaw.*
