Elias Carr,

Clasparta N.C.

Dear Sir & Bro.

I met Mr. J. M. Grainger
of Kinston N.C. on the train a
few days ago & he told me you
were not going to run for
Congress in our District (2nd)
and that you were strong for
Simmons for Congress. We
all want to vote for you as
our chosen candidate, and
if you positively decline, we
want to send J. M. Muborn
as our next choice. Many
alliance men say Simmons
is a good man, but we have
300 Lawyers in that body & we
want some, of other calling.
I shall gladly go home to have
the pleasure of putting in my
vote for you or Muborn. ^{Truly} W. H. Worth
