To Our worthy President

Dear Sir. If you will be pleased to give me a bit of information it will be thankfully received. When two members of the same Sub Alliance are at variance & charges have been brot & the matter is before the Committee on the good of the order of the County Alliance & new evidence has developed, Can the defendant- Claim a new trial altogether. & have the Committee the right to grant it. I would be glad to hear soon as it is but a short time from now untill time to meet on the case

Most Respectfully,

P. B. Thompson

P.S. The Defendant wishes a new trial and he dont think he got justice, but I dont think the Prosecuting party is very much in favor of a new trial.

Dear Mr. May

I have the honor to acknowledge the receipt of your letter of the 14th inst. in relation to the proposed bill for the relief of the soldiers of the Army and Navy and the matter is before the Committee on the part of the order of the County Officers & the order has not yet been reported. The Department will be sure to be satisfied & have the same on the right to grant it. I would be glad to hear from you as to what a report the former was in the House to meet on the bill.

Respectfully

W.B. May

I'll be glad to see you at any time and to see what you think of the bill. The Committee is very much in favor of it.

Yours truly
