Dear Sir & Bro:-

I enclose you circular which explains itself. It is our desire to have the President of each state body to join us in this circular; we therefore send one exactly like this to each President, and when we get them all in, we will consolidate signatures onto one printed circular. The object is to try and organize our press as thoroughly as the opposition press is already organized, and for this purpose this plan makes all money invested by the brethren or outsiders a safe and good investment; that must be returned every dollar before the capitol and interest of permanent stockholders can make one cent themselves.

I hope it will meet your approval and that you will sign this circular in the blank line and return it at an early day.

I am yours fraternally,

J. H. Turner
