Pres. N. C. F. S. A.

Old Sparta, N. C.

Dear Sir & Bro- As our Alliance is in the midst of a large Cotton Mfg. Center, and many of the operatives are anxious to join the Alliance. My Alliance authorizes me to ask you if it would be best to take in parties who are not farming or interested in farming, we know what the Constitution says, but a few contend that all classes of laborers can join.

Must we follow the Constitution and take in none but the classes named?

Please let us hear from you soon, and let us know who are eligible.

An early answer will greatly oblige.

Fraternally Yours.
