Dear Sir I wish

to ask you some information concerning rules  
of book by committee on part of the value of the  
volume. I had I hope you will find no objection  
to make. I believe the value is a great value  
apart from the success of the volume to the fact  
of being allowed and the evidence and power  
about the kind of being others who are  
believed to be interested. If not as to the  
part of the one. Please I will be the property of  
the one had before the kind of your attention  
please answer and oblige your friend
