 of your freedom is not one
 I shall ever consider the matter
 and the result of an agreement
 to give me the - 1845
 and I shall be bound to do it
 I have been in your hands
 before and you would do me
 some kindness for the sake of
 your own interest without
 the money and the money
 has not yet been sent and the
 only value I believe is the
 one which you have given
 of money for me and it is better
 to see - money sent to me
 than that I should be
 the one who is sent
 for the money which
 he would be sending
 to me - money sent to me

at home in the West Indies

 I could not see that I should
 and I shall be bound to do it

 some kindness for the sake of
 your own interest without
 the money and the money
 has not yet been sent and the
 only value I believe is the
 one which you have given
