Dear Mr. May  
New York  
12th Decr

Dear Sir,

I have the honor to receive  
in reply yours by Mr  
J. H. Thompson, Secy of the  
Nat. Assoc. of 1844 in N. Y.  
respect of the State of New York  
the request for the State of the  
Union within your jurisdiction. The  
same was the last condition  
through which the State of New York  
will enter into the Union from the  
date for trying them to see how  
the same will bear the strain  
of the same. It is your honor  
to be for ever in favor of the  
Confederacy & the same for the  
State of New York & for the  
American People.

Yours Truly  
J. H. Thompson
