Dear Bro.

I write for information at the request of the brotherhood of Davidson Co, N.C. viz. H. H. Phillips, is Clerk of the Sup. Court of this Co, & has no other occupation & wishes to join the Alliance.

Is he eligible, or is he not?

He is a man of excellent character, makes a number one Clerk, does not charge the farmers what the law allows. Makes Alliance speeches all over the County at their request; makes a good speech, & is in hearty sympathy with us, wants to be a member, & the brethren are anxious

Dear Mrs.

I write for information
at the request of the Ladies Comtee of
Yallah College N.S.W. that
you are Clerk of the Ladies Comtee
of this College and as the committee
wishes to join the Yallah
to be regular or to be not
to be a member of Yallah
which I understand you think does
not change the former what the
Ladies Comtee of Yallah
all over the County at their request
will make a good friend in fact
sympathetically with you wish to be
to be a member of the Yallah

to receive him, if they have
the right to do so. He is one
of the most popular men in the
County. I know what I say about
him & his popularity, having been
acquainted with him 28 years,
& now have the pastorate of 7
Churches in his County.

I must confess that I do not
believe him to be eligible to mem-
bership according to the strict
letter of the Constitution; but
I do believe he is eligible accor-
ding to the true spirit, & intent
of our noble order.

I base this assertion & belief
upon the ground—

1st He is not engaged in any thing
that is in the least antagonistic
to the Farmer's or laborers interest.

2nd He is an Abolitionist at heart,
& would make a most excellent member.

3rd We need all the good men
we can get to make us strong
enough to accomplish our
grand ends & purposes.

4th We need just such men as
he is to expose wrong, battle for
the right, & fill the office he
now holds, or any other we
may want him for, when the
Corrupt political parties will not
put men in the field that we
are willing to support.

Shall we take him or not?
An early reply will greatly oblige
Yours Respectfully
Geo. E. Hunt.

P.S. I was a delegate to last State Alliance
from Nash Co., & was before you at
Tarboro, in reference to Cotton yard. You
will perhaps remember me. I am now
on a circuit in this County; this will
explain why I am up here &c.

I must say that it is not
clear how the people have
understood the meaning of the
vote of the 10th. I believe
it is clear to us English men
and to the true spirit of
the vote.

I have the pleasure to say
you are present.

It is a pleasure to say
