My Dear Sir & Brother
I asked our Secretary to attach the Seal
to the Letter returned to me for that
purpose he refused to do it with out
the consent of the House and it was
put to the house and they voted
against it - Now can I force the
Seal to that or any letter when
the facts set forth in it are true
as they were in this

I will send to
you as I think sufficient Evidence that
I am a true Alliance Man
John W. Buey with Certificates
The Seal of his Alliance to that
fact I hope to hear from you
I was as convenient I failed to
get the letter before the House until
the 26 of April 90

My dear mother

I have just received your letter

of the 10th

and was glad to hear

from you and all the family

I am well and hope these few lines

will find you all the same

I have not much news to write

at present but I will write again

when I have more news to tell

I am your affectionate son
