Hon Elias Carr
Old Sparta N. C.
Dear Sir:-

For some time my friends have urged me to apply for a position on the R. R. Commission, and now that the Bill has or soon will become a law have consented to allow my name to be used in that connection,

Can you say a good word to your friends in the legislature and the Alliance men generally, in my behalf-

I was as perhaps you know educated at the State University where I finished a three year course in two years with distinction I admire your career as an Alliance man & progressive farmer, and have the warmest personal regard for you and shall ever be ready on anything I can for you in anyway, Please drop me a line in regard to the matter. With best wishes,
Your friend
Jas P. Kerr
