Hon. Elias Carr, }

Dear Sir & Bro.

Your favor of the
9th inst. to hand.

Wenderson, I think, is
nearer the center of the
tobacco region than
Greensboro.

On hearing from the
President of the Virginia
Alliance if you think
it unwise to hold the
conventions our people
will be satisfied with
your action.

The time is limited.

Will Bro. Terrell visit
our section?

We would like to hear
him & think our
brethren need stirring
up. - Fraturnally yrs.,
