Mr. Darr
Sir.

You referred
me to Mr. Parker about the
land, & he said he could
not tell me anything about
it, as I would like to know
something about it, as
I don't know the place is
not on the plat, what
is the best you could do
on it & upon what terms
will you sell I would
like to make a small
cash payment first say
as much as \$50. I would

like to have about five
years time & will make
yearly payments.

Please let me hear
from you as early
as possible.

Very respectfully

Moses E. Chick
