President Carr,

Old Sparta N.C.

Dear sir and Bro.

I write you for information. I wish to know if it is ~~con~~ contrary to our Order, for several sub-Alliances to establish a Store by Stocks, taken by individual members, controlled and run by Alliance men; to sell goods at 10 per cent. profit to Alliance members and outsiders alike ^{in a} towns where there are other stores. Also should we let any but members have our Farmers Alliance Official Goods, also should we let members of the Colored F. Alliance it. Please answer and greatly oblige

Yours Fraternally
