Elias Carr Esq.

Presb. State F. A. & I. U. of N. C.

Old Sparta N. C.

My Dear Sir & Bro:

Will you kindly favor me with your State Exchange Plan, I take it that you have it in circular form. Penna. has practically done nothing in the way of exchange, but it is about time we are up and doing.

I desire to get the plans of states who have been organized for some time and whose plans have been tested. Can you spare me a copy of your State Constitution and a copy of proceedings of your last State Alliance?

It is up hill work in Pa. but we now have about 200 organizations in the state.

The N. C. Alliance people have taken possession of some of the counties, and the Grange, I think, has no where a better foothold than in this state. Hoping to merit your favor I am

Sincerely & fraternally yours,
Henry C. Inavely
