Hon Elias Carr

Pres State Alliance

Old Sparta N. C.

Dear Sir & Bro.

In Sec 7 of Art 5th of our constitution it says that a Bro wishing to affiliate with any Alliance by Dinit or card shall present a written petition with Dinit or card.

I wish to ask who shall the petition come from?

Shall the Bro making application by Dinit write his petition or shall it come from Alliance from which he gets his Dinit?

If the Dinit is six months old shall he become a new member upon payment of dues or shall he be again initiated?

Are Pres & Secy's of sub-alliances entitled to vote as Delegates in County Alliance?

Has Pres of County Alliance right to appoint them on committees on any business in Co Alliance?

Am members of Co & Comm entitled to
vote in Co Alliance?

When an Officer of Co Alliance (bonded or not)
wishes to resign can he offer his resignation
through the Ex Comm or shall he have
to offer a written resignation in open
Alliance?

Will you please answer these questions at
an early date.

I think our Alliance both Co & Sub are
increasing in interest - and that we are
determined that we shall be heard in
the councils of our country.

Great good resulted from the visit & speech
of Bro Ben J. J. and we look forward
with bright anticipations of more good
from Bro Blair at our Co meeting on Apr 6.
I consider the change in the Lecture system
of inestimable value to all Sub Alliances
as by this plan our people will be more
benefitted & edified in the principles of our
 noble organization.

Our Alliance meets every Saturday night and we have a fair attendance at every meeting.

We contemplate building an Alliance Hall and in our community for the purpose of uniting the Brothers more closely and arousing them to greater interest & work in the labor before us.

We only number twenty ~~two~~ four members but they are true Alliance men & we have subscribed nearly sixty Dollars toward our Hall and on last Monday (it being Court week with us) we had a dinner assisted by others in the town of Herford & realized therefrom; net sixty five dollars.

We hope soon to get to work on it & when completed we expect to have a grand Alliance rally.

Earnestly praying for success to our noble order & wishing you a long life of usefulness in your great work

I am Fraternally
