Cousin Elias:-

Please kindly at your earliest convenience let me have your check. - I have had very much delay and trouble with the affairs of the estate since I last wrote you, or I would have called on you earlier. After much work and worry I finally have had the sale confirmed and it seems to prevent the consummation of our agreement. - I am ready to have deeded to us at once or as soon as I can disburse the funds the four hundred & twenty nine acres of land. at present my wife owns it.

Awaiting your reply I remain as ever  
Yours truly  
T. B. Williams
