Dear Father;

Your fav. with check
duely recd. Every thing is of course
satisfactory to me & I thank you
for the interest & care you have taken
in the matter. I fear Phillips would
have criticised any but a gratuitous
offer of services on the part of the
Trustee & Attorney. Apropos of your
observation touching the Rocky Mt mill
stock, I will state that several days
ago I received a letter from Jim Ruffin,
in which he volunteers the information
that 400 shares of the stock recently
sold for 80, & asks if I will sell
at that figure. Mattie joins me in
much love & you all
hastily & affly yours
