

Oregon N. C. Apr 14th 1891

Mr Elias Carr
Old Sparta N. C.

Dear sir & Bro. having been instructed
by our Alliance No 544 to write to you for
your ruling in regard to an Alliance removing
from one place to another. The Happy Home
S. A. ^{No 208} was organized at Happy Home about five ^{miles}
distant from the Mt Carmel Alliance but recently
there arose a difference of opinion in the Carmel
Alliance and several of the brethren left said Alliance
and went to the Happy Home Alliance then they
removed said Happy Home Alliance up to within two
miles of the Carmel Alliance and the question arose
whether they had the right to do so or not.

The Constitution says that one can not be organized
nearer three miles of another without consent of said
nearest Alliance but it does not say whether one
can be removed nearer after organization or not
hence we write to you for your ruling.

Yours Respectfully

J. H. Stewart

P.s. Please publish the following question
in the Progressive Farmer with your ruling.

Can an Alliance after organization be
removed nearer than three miles of another
Alliance in the same County without the
consent of the other Alliance
