NAME OF RAILROAD. Write out in full.		NAME OF BANK.		Total Tons.....	
				Am't to be paid, \$.....	

To.....

GENTLEMEN :

We authorize you to ship to us the amount of Binder Twine, as per the schedule below. We give you this Order under the following conditions : (1.) That the Twine shall reach our railroad station not sooner than.....and not later than..... (2.) That should we desire to decrease the amount we can do so by notifying you by registered letter, to reach you thirty days before the first date mentioned, we agreeing not to decrease the amount of our Order unless the elements injure our crops, so that we may require less Twine. (3.) That should the elements destroy our crops between the said first date mentioned and the date of arrival at our station, thereby materially decreasing the consumption, we agree to pay per pound for the Twine, on condition that our order is canceled for amount not required. (4.) We will pay cash for the Twine, to the consignee, on arrival. (5.) You are to notify us by mail, at least ten days in advance of expected arrival at our station. (6.) That you guarantee the said Twine shall be of good quality, standard length and strength for each grade. (7.) That the Twine is to be in bags, weighing 50 lbs. gross.

State Business Agent.

P. O. Address.....

P. S.—Write shipping instructions in full on the back of this order blank.

(Please write very legibly.)

[OVER.]

NOTE.—It is important that orders should be concentrated so that a car load is shipped direct to one place. This is cheaper and prevents mistakes. An average car contains 24,000 lbs. Some cars will hold as much as 37,000 lbs.
