Dear Bro,

We have a member  
of our alliance who has been suspended  
and on being restored, told the  
alliance he had received the pass  
word, and we have reason to believe  
he received it - from some member  
of our alliance, but he refuses to tell  
who gave him the word, We wish to  
know what - to do with such a Bro.  
Should he be expelled or not - on such  
a charge.

Yours Truly,  
H. B. Freeman Pres.
