Elias Carr Pres. S. F. A.

Dear Sir & Bro.

In estimating  
the delegates to a county  
Alliance are the female  
members to be counted?

Are the females to be  
counted in estimating the  
number of delegates to which  
the N. C. State Farmers Alliance  
is entitled in the National  
Supreme Council?

Were there any female  
delegates at Ocala?

Please answer at your earliest  
convenience & oblige.

Yours fraternally

James Bond B. G. S.
