RICHMOND, VA.

Mess. Elias Carr & Son,

Old Sparta, N.C.

S. R. Rose:

The bhd. (B)*, was not read until yesterday, hence the delay in reporting on same. We now beg to hand you enclosed herewith also sales & our chks. for the pts. viz: [redacted]

The tobacco was not well classed, common cutters & leaf mixed together.

The bhd. could doubtless have been sold to better advantage had you assented the tobacco & made 2 pkgs of it. We consider the sale a good one & trust you will be pleased.

Thanking you for the shipment & hoping you will favor us again soon,

the remain,

Yrs. truly,

Arrington & Rose.
