Uncle Eli -

What will  
your tax, cost, for  
acre, for the 40 acre  
tract of land sold  
to P. C. Davis? I have  
is now leased upon the  
place. Will your tax  
\$5.00 for acre - money to  
be paid - when you  
are in possession of land?  
I understand if you  
have sold the Lewis Henry  
tract for \$10.00 for acre - upon  
which there are two good  
cabins - any amount  
of Mason Co. land can be

brought for \$3<sup>00</sup> per acre,  
(which shows badly for our Co.)  
but this is now movement to  
us. How on the former  
progressing with planting in  
your section? The preparation  
of land in this Co. is poorer  
than ever before almost im-  
possible to make a bull creek  
with but reasons. The soil  
all well, except manure.  
She is improving slowly.  
With love for all, I am

Yours very truly  
W. H. Williams
