Pres. N. C. F. S. A.

Dear Sir Bro

Some time since I wrote you in regard to the disclosure of the secret work.

Since then I have attended Bro Ben. Terrell's meeting at Statesville, and saw him exemplify the secret work.

The work disclosed was the old grip which I did not know had been changed and which has never been changed in this section.

Not a member of the Alliance in this county I don't think knew

what the new work was as Bro
Holman our Pres, and delegate to
the State Alliance ~~and~~ not exem
plify it.

I am sorry I troubled you about
the matter at all, but I ~~did~~ was
not aware of the change
