

Wilmington N.C. April 14 1891

Mr Elias Carr

My dear Sir,

I am just in receipt of
your favour of the 13 Inst and hasten to reply.
Doct. Fleming will pay the balance due on the
45 acres this week. If you have the notice of
The Sale of the 40 acres sent you sometime
since please return it to me as all the
notices I put up have been taken down.
I understand that Peter C. Davis will not
give possession of the 40 acres & I suppose
you will have to file a bill of ejectment.
Will do all in my power to protect your
interest.

Very truly yours
Jacob C. Parker
