

Greenville Nc May 13/91

Elias Barr Esqr Old Sparte

Dear Sir your favour of the 12th received this
am and I hasten to reply by saying that I
think I fully understand what kind of a buggy
you want, and will spare no pains to finish
you up the work to suit you in any particular
I will see that you have the best axle and wheels
and all other material except the top that shall have
the best material for a part leather top.

The tops that are made of lute with back stays
and side quarters ^{of leather} are much cheaper and almost
as sensible as the full leather tops. The sun will not ^{then} draw
I will give you Light Steel converted axles which ^{is} said
to now be made in the county and a strictly ZZ licker wheel.
as low as we can make the work of above description
is thirty dollars (\$30.00)

I feel very thankful to you for your kind remembrance
and hope to be informed to make the work for you at
once I am very respectfully

John Planagan
