Old Sparta, N. C.

Dear Sir & Mrs.

At the regular meeting of Lenoir
Co. F. A. there was a resolution in-
troduced as follows. "We favor a third
national political party that will
honestly and faithfully carry out the de-
mands of the N. F. A. & I. W. as laid
down in the St. Louis & Ocala
platforms" after some debate the same
with other resolutions and preamble
pointing in the same direction, was re-
ferred to a committee with instructions
to report at next meeting. I was ap-
pointed on the committee. Please give
me your views in regard to this

more, fully and justly. is it not in
conflict with the assurance that the
candidate received when obligated?

Please send me a copy of the St. Louis
and Deala Platforms if you can. I have
been unable to procure a copy.

If you will favor me with an answer
at your earliest convenience you
will greatly oblige

Is a Physician living in an incorpo-
rated town whose practice, or at least
 $\frac{1}{2}$ of it is, in the country entitled to
membership in the Alliance?

Fraternally yours
