Mr. Elias Garr,

Dear Sir & Bro.

By order of this

body, I am requested to know if a man who has once been a member of the order, who was a resident of an adjoining county but for a little disturbance between him and another member, which they could not settle or did not settle and under some consideration he told them to take his name off of Roll Book. This man

now makes application
to our body for membership
This affair of taking his
name off has been about
3 years ago. and he has
been in our community
since that time, he is a
man of fine intellect and
good character, nothing is
against him only he quit
his Lodge in another County
about 3 years ago. and now
wants to join us. Have we
the right to receive him or
not. Please let me know
at once. He says he will
never go back and ask for
a Divich for certain reasons

Fraternally yours
B. W. Fippett, Sec.
