Mr Elias Carr

Dear Sir  
and brother. I as president  
of sub alliance N<sup>o</sup> 1274  
come to you for advice. We  
have two members who have  
been very prompt and attentive,  
are men of good qualities  
and quite influential in church  
politics and finance. and we  
would like very much to retain  
them as members, as both are  
much loved and honoured.  
Last Jan - they opened a store

each of their own, and began  
mercantile business, in  
connection with their farming  
interest. As neither of them are  
willing to withdraw, I communi-  
cate with you to know if they  
are eligible. Hoping to hear  
from you soon I am fraternely
