Colonel Elias Carr

Old Sparta

My dear Sir:

N. C.

A few days after I received
your letter about your son I was in Raleigh
Colonel Andrews and I talked over the
matter, and he agreed with me that Buchanan
is the proper man to write to anyway. (He
Col. A.) is not much pleased with the manner
in which Davis has treated him about me.
We got up a strong letter and signed
I don't know whether Col. A. sent
direct or mailed it to you

Yours truly

Thomas B. Keogh
