Dear Sirs

Dear Sir & Bro,

Should female ~~men~~ applicants be balloted on just the same as males

Should they be allowed to vote, Should Sub Alliances be allowed representation for their female members in the County Alliance, or is that left by our Constitution at the discretion of the Co. Alliance, I fail to find anything in the Constitution in regard to females, It does not seem to me to be fair for them be represented in the Co. Alliance, as

They are not required to pay any
dues, it is "Representation without
Taxation"

Our Pres. instructed me to ask a
word or two in regard to the
secret work which we understand
is corrected by you. Some of us
understood Bro Terrell one way
some another,

In the dialogue with you do
you "In the field" or "in the old
field"

In the Doer word is "a" or "the"
used,

Awaiting your reply I remain

Respy & Fraternally
