SECRETARY'S OFFICE,

North Carolina Farmers' State Alliance

Raleigh, N. C., May 26 1891

Dear Carr,

Yours of May 22 received and have written Bro Alexander, also am having circular printed to send out at once to Secretaries in regard to dues and fees - Enclosed find a letter from Dooche Seavelle in regard to Bladen County - Please give this your earliest attention that we may get them reported in next quarterly - The loss was in Washington from 500 to 200 instead of 25000 which I reported to you - Quite a stir up among the partizan papers about where the Alliance stands on the 3<sup>rd</sup> Party question - I think we have nothing to do but to stand squarely by our demands as we have done heretofore what do you think about it?

Yours fraternally,  
W. S. Barnes
