

SECRETARY'S OFFICE,

North Carolina Farmers' State Alliance

Raleigh, N. C., May 30 1891

Dear Brother Carr.

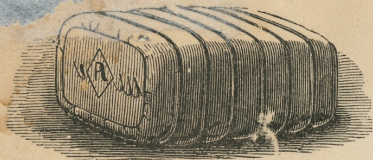

Yours of the 27th received yesterday morning and I hasten to answer as soon as I could see Mr Patrick. I agree with you that it would be better to defer the Map meetings till after the State meetings of the Alliance and Mr Patrick said it would suit him just as well but we must have it before 1st of September as the grounds would then be in use for the Exposition. Write to Capt Alexander in regard to Map meetings besides the two and if they could be had &c. He replied that at present he could not answer that I would have to send him statistics &c in regard to amount of money probably be on hand &c which I will do as soon as I can see Brother Allen the Treasurer. Enclose a circular which I sent out as per your request.

Yours fraternally

W. S. Barnhart
