Char Carr Esq

Dear Sir

I want you do something  
as head of the Alliance,  
to help our friend Alexander  
I am opposed to the Alliance  
going into politics, but when  
the politicians unite to defeat  
an Alliance man, then I  
think all the power of the  
order should be evoked to  
sustain our man - if  
something is not done,  
Alexander will be defeated  
in this district - Yrs truly
