S. Carr, Pres. N. C. F. A.

Dear Bro. By request
of some of the brotherhood, I write to ask you
concerning the report in circulation by
some of Mr. Simmons' friends outside the
Alliance in regard to a correspondence
between yourself and Mr. Simmons in
which you advised him to get rid of his
bank stock and pleading him your influence
to secure his nomination for next Congress.
You will please answer by return mail
whether the report is true or false.

I am Respectfully yours Fraternally

E. W. E. F. Perry Secy
