Old Sparta N.C.

My dear Sir: I feel an interest
 in the nomination of Capt
 R. B. Pebles - He is a relative
 and a man for whom I
 have the highest regards &
 respect and wish to ask
 that if an opportunity comes
 to throw your influence I should
 to him. That is in case Mr.
 Phillips goes out.

Capt Pebles is one of our
 Directors & has stood by us since
 the Brown Matter.

I wish you would spend Tuesday
 night with me. You will find
