

Seven Springs, N.C.

July 6th / 90

My Dear Sir

I am requested by our true Allies
Delegates to ask you to meet them in Wilson on
the morning before the Convention convenes so
as I have some concert of action in the nomination
of a candidate - These that ask are Knowson's friends.

Some of them will go to Wilson on the 15th ~~at~~ by rail
& others arrive there early on the 16th by private conveyance.

On Friday last, when I promised to write to you to lead
the delegation I felt confident I would go, but I
now fear I cannot be released from other engagements
in this (Lincoln Co.)

A large delegation will attend & about $\frac{3}{4}$ will vote
for Knowson or some other good farmer.

Trusting that your deliberations may be pleasant & easy
hoping they may be successful to our Order I am

Yours Truly

R. B. Whitfield
